INTRODUCED TO SENATE:

November 26, 2018

The Student Government of Juniata College,

FULFILLING its mandate as an organization dedicated to the representation of students of all identities, shall guarantee the preservation of member organization Student Advocates for Universal Respect (SAUR),

RECOGNIZING that the insurance of diversity is absent in its Constitution,

NOTING with deep concern for the lack of respect for SAUR's operations and input to the General Assembly,

DESIRING official recognition of SAUR's important role in the General Assembly,

- 1] Calls upon the General Assembly to ensure the security of SAUR;
- 2] Calls upon the Policy Committee to redefine quorum to include not less than 1/3 of SAUR representatives;
- 3] Calls upon the Policy Committee to officially include the SAUR Chair on the Executive Committee;
- 4) Calls upon the Policy Committee to ensure the meeting time of SAUR is not abridged under any circumstances;
